

GREY CELL

TRAINING CAPABILITIES STATEMENT

COMPANY OVERVIEW

Grey Cell is a Certified Woman-Owned Small Business and a proud member of the Grey Ghost family of companies. We provide tailored security and intelligence consulting, analytic, performance and training solutions, in support of Intelligence, Military, Law Enforcement, Corporate and Commercial professionals.

CONSULTING

Grey Cell offers customized Security and Intelligence Strategies and Solutions (SISS) to meet the ever-evolving challenges of today's world. Beginning with an initial consultation, Grey Cell will provide a tailored strategy for meeting your needs. Security Assessments, Operational Procedure Development and Threat Assessments are some of the measures Grey Cell will take to ensure a premium product while maximizing return on investment.

DIFFERENTIATORS

Quality and Breadth: Grey Cell's personnel are drawn from the Military, Law Enforcement and Intelligence communities to include the CIA, FBI and Special Operations.

Depth: Extensive operational experience – all staff and cadre possess decades of experience

Innovation: Adapting tools, techniques and proven methodologies to each customer's unique requirements

Integrity: Building enduring trust among our customers and teaming partners through a commitment to the highest standards of ethical conduct.

Vision: Our vision is that those charged with protecting our way of life will always strive for quality in their performance.

Mission: Our mission is to contribute to the safety and security of our clients by providing first class training and consulting solutions.

Core Values: Value Added, Customer Service and Success, Attention to Detail and Flexibility.
